

We can eliminate Hepatitis B

You are invited to the first ever Hepatitis B event at Parliament House. Join us online for this momentous event:

**Thursday 10th February 2022
11:00am to 12:00pm AEST**

Australia is committed to eliminating Hepatitis B by 2030! Learn about our success to date and what is needed to achieve our goal.

Speakers include:

Lien Tran

World Hepatitis Alliance & Australia's first National Hepatitis B Policy Forum for People with Lived Experience

Dr David Gillespie MP

Minister for Regional Health

Ms Ged Kearney MP

Shadow Assistant Minister for Health and Ageing

Hep B PAST Team

Northern Territory

Prof Ben Cowie

WHO Collaborating Centre for Viral Hepatitis

Carrie Fowlie

Hepatitis Australia

All welcome online: bit.ly/Hep-B-Parliament
